

Thanks for downloading the new **EXPLORE CITIZEN SCIENCE** clip!

This is a co-created project by iDiv, Germany and produced by SPOTTERON Citizen Science. The video clip concept and filming were done during the iDiv Summer School 2019 in Leipzig, Germany.

This video is released as under:

Creative Commons Licence Attribution-NoDerivatives 4.0 International (CC BY-ND 4.0)

Which means that:

1) you can download the video and **use it anywhere for free** – even upload it to your own website, YouTube channel, social media, etc as long you:

2) always **cite the authorship** correctly with this complete string:

Video: a co-created project by [iDiv](https://www.idiv.de) | produced by [SPOTTERON Citizen Science](https://www.spotteron.net) (CC BY-ND)

Music: "Reach for Success "by scottholmesmusic.com (CC BY-NC)

Please leave the links intact. On social media, please tag the pages/accounts of @iDiv and @SPOTTERON in the citation of the authorship or use the URLs <https://www.idiv.de> and <https://www.spotteron.net>

By this license you can freely use the video clips to promote participation in your own Citizen Science project, advertise your Citizen Science platform or distribute them in any way, as long as you cite the authorship like above.

You can find the full license terms her: <https://creativecommons.org/licenses/by-nd/4.0/>

For different language versions please check out our Blog at <https://www.spotteron.net/blog-and-news/explore-citizen-science-a-co-created-citizenscience-video-clip-for-free-use>

Thanks and best regards!
